

## THE FACTS ABOUT JUPITER CAREER POLITICIAN JIM KURETSKI

Dear Jupiter voter,

Taxpayers for Term Limits PC is an organization committed to protecting taxpayers by advocating for term limits for politicians.

We believe that career politicians who have been in office for excessive periods of time are more likely to make policy decisions that are in their own self-interest rather than the interest of the citizens and taxpayers they were elected to serve.

Too often, these career politicians feel entitled, fixate on their own compensation, insurance and retirement benefits, and lose sight of the priorities of the community at large.

Jupiter career politician Jim Kuretski is the perfect example of why we support term limits.

Kuretski has already served on the Jupiter Town Council for 21 years yet he's running again this time for Mayor.

In the two decades Kuretski has been in office Jupiter as seen out of control growth, huge tax and budget increases, record-setting government growth and an increasingly hostile relationship with local businesses.

Most disturbingly, Jim Kuretski voted to cut public safety positions, reduce police funding and deny police officers promised overtime pay.

A review of the Town budget from 2012 to 2021 shows the following facts about how taxpayers have fared under JIM KURETSKI:

- **Government spending has increased 139%**
- **Property Taxes have increased 158%**
- **Utility Taxes have increased 140%**
- **Garbage Fees have increased 127%**

Term Limits protect taxpayers from the devastating impacts of career politicians like Jim Kuretski. When politicians have been around too long, they become arrogant, self-serving, and out of touch. Jim Kuretski has been around too long.

Please join us by letting Jim Kuretski know that Jupiter voters support term limits.

Sincerely,

*Annie Marie Delgado*
